The Pennsylvania Council on Financial Literacy (PennCFL) exists to prepare the next generation to rise up! Many in society today suffer financially due to the lack of financial management skills & a “minimum wage” mindset. We strive to change the future by offering all Pennsylvania students in grades K -12 with Personal Finance education, Personal Budgeting & Investing challenges, along with Entrepreneurship skills that will help them thrive in the workforce & in life.

PennCFL is a 501(c)3 organization and approved by Pennsylvania’s Department of Community & Economic Development as an Educational Improvement Organization. The PennCFL competitions and programs result in over 20,000 student registrations in Pennsylvania. Training and support are provided to hundreds of teachers. We showcase exceptional talent from business, education and government.

Our entrepreneurship program, Dream-Learn-Pitch, allows students to learn through our online curriculum, at our entrepreneurship conferences or

independently with their teachers. Students can upload their Business Pitch to win prizes up to \$10,000 and additionally, up to \$40,000 in college scholarships. See [www.dreamlearnpitch.org/terms--conditions](http://www.dreamlearnpitch.org/terms--conditions) for details.
